MUHAMMAD AHTISHAM

FRONTEND-DEVELOPER

👤 About Me

"Hello, my name is Muhammad Ahtisham. I have recently completed my Intermediate in Computer Science and have been passionately working as a Front-End Web Developer for the past two years. Although I am a fresher in the professional industry, I have hands-on experience with technologies like CSS, JavaScript, TypeScript and modern frameworks. I'm eager to work in a software house environment where I can collaborate with experienced developers, enhance my skills, and stay updated with the latest trends and tools in front-end development."
